ERREAS

1974

An impressionistic painting of a town scene. The sky is a vibrant, textured blue. In the foreground, a large house with a light beige facade and a prominent red roof is the central focus. To its right, another house with a red roof is visible. In the background, a white building with a blue balcony and several windows is partially seen. The brushstrokes are thick and expressive, giving the scene a sense of movement and light.
